OFFICE OF

MORNING APPEAL,

SAM. DAVIS, EDITOR AND PROPRIETOR.

Carson, Nev., Sept 15 1879

Mr & W. Fox.

Dear Sir,

Yours of the 9th
rec'd. I took reference to an
adjusting machine, which
reduced the coins to a perfect
thickness when they were over-weight
by shaving off the under side.
Our Mr Sutter took a hand
machine to the Philadelphia mint-
your ofr. & understood
it was in use.

Yours etc
Sam Davis.

Mr. D.W. Fox,

Dear Sir,

Yours of the 22 rec. I bid reference to an adjusting machine, which reduced the coins to a proper thickness into item were overweight in shaving off the under side. Dr. Tuttle took a hard machine to the Mint at Philadelphia about a year ago and I understand it was in use.

Yours etc.
Sam Avvis
